Ummi Jalilova, Managing Partner of GRATA Azerbaijan spoke on the meeting of the Construction and Infrastructure Working Group of AHK

The next meeting of the **Construction and Infrastructure Working Group** of AHK Azerbaijan was held on **29 June 2022** with the participation of about 30 company representatives. The meeting focused on **Public procurement and reforms on the implementation of public procurement**.

At the beginning of the meeting, **Mr Tobias Baumann, Executive Director of AHK Azerbaijan**, welcomed the participants.

Mrs. Ummi Jalilova, Chairperson of the Construction and Infrastructure Working Group, GRATA International Azerbaijan, gave an introduction and preliminary information about the progress of the meeting.

Then, **Mr Ahmad Hasanov, Head of the Public Procurement Department at the State Service for Antimonopoly and Control Over Consumer Market**, presented a statistical report on the activity of the State Service for 2021. In his speech, he delivered information about the improvement works on control of public procurements, the implemented measures, the public procurement portal, and the new draft law, as well as presented statistical data on public procurements to the participants and answered their questions.

At the end of the meeting, Mrs Ummi Jalilova informed about the appointment of Mrs Narmin Huseynzade, the Head of Business Development Department of PMD Projects LLC, as Deputy Chairman of the Construction and Infrastructure Working Group, and presented her to the committee participants.
