Update on recent events in Ukraine

Dear colleagues and friends,

Recent events have raised many concerns and worries about the current situation. Please be informed that all members of our team in all countries of our network are safe and well. We would like to assure you that all offices of GRATA International are fully operational and maintain their commitments to all ongoing matters. For particular details about our office in Kyiv, please refer to <https://gratanet.com/regions/ukraine/press>. Utilising GRATA's unified client database, cloud-based IT infrastructure, common resource management systems and interoffice capabilities, we are able to provide uninterrupted support and remain dedicated to all of our clients and engagements, delivering high-quality legal services in Eastern Europe and Central Asia. We will continue to monitor developments and update you in the event of any significant changes.
