CEE Legal Matters Comparative Legal Guide: Oil & Gas 2022 for Moldova

GRATA International Moldova was invited to be the exclusive country contributor to the CEE Legal Matters Comparative Legal Guide: Oil & Gas 2022 for Moldova.

The CEE Legal Matters Comparative Legal Guide: Oil & Gas 2022 presents the most important legal information related to the Oil & Gas sector, structured in a practical way, which allows both focus on a single jurisdiction and cross-referencing and comparisons between the legal approaches in the various jurisdictions.

"It was an absolute delight to work together with the **GRATA International Moldova** professionals on the **Moldova** chapter for this report," commented CEE Legal Matters Managing Editor Radu Cotarcea. "In light of the current context, with growing attention paid to issues of security and independence of supply, a close look at the sector is all the more critical and we're thankful for the **GRATA International Moldova** team for taking the time to share their insights into the sector."
