Clarification of the State revenue committee on electronic invoice signing

Please be informed that the State revenue committee of the Ministry of Finance of the Republic of Kazakhstan (hereinafter – the ‘SRC’) clarified in its letter dated 7 March 2017 No. КГД-06-3-11411-КГД-5981 that an electronic invoice (hereinafter – ‘EI’) may be signed by one of the participants of EI information system (hereinafter – ‘EIS’): either by (i) a head of the company or by (ii) an authorized person on the basis of an electronic power of attorney (hereinafter – ‘PoA’) issued by the company and signed with its electronic signature. I.e., it is not required to sign the same EI by both the head and the chief accountant of the company.

The order of issuing of electronic PoA is stipulated by the Kazakh civil law[1], while the template of such PoA is envisaged by the Agreement on use of EIS.[2]
