Oil & Gas Comparative Guide 2024: Kazakhstan

GRATA International Partners [Yerbolat Yerkebulanov](#) and [Leila Makhmetova](#), as well as Senior Associate Lyazzat Zhilkibagarova, participated in the preparation of the Kazakhstani chapter of Oil & Gas Comparative Guide by Mondaq.

The chapter consists of 12 sections and provides an in-depth overview of key legal and practical aspects in the oil and gas sector of Kazakhstan, with a focus on the following:

- ▶ Legal and regular framework
- ▶ Oil and gas industry
- ▶ Exploration and production
- ▶ Surface rights
- ▶ Processing, refining and export
- ▶ Transport and storage
- ▶ Environmental issues
- ▶ Health and safety
- ▶ Taxes and royalties
- ▶ Disputes
- ▶ Trends and predictions
- ▶ Tips and traps

To read the chapter follow [the link](#).
