Regulation of online movie services and other audio-visual services in Russia

On 1 May 2017, the Federal Law No. 87-FZ was signed amending the Federal Law 'On Information, Information Technologies and Information Protection', the Code of the Russian Federation on Administrative Violations and some other regulatory legal acts that establish requirements for owners of audio-visual services, including online movie services in Russia, liability for violation thereof, and powers of the Federal Service for Supervision in the area of Communication, Information Technology and Mass Communications (Roskomnadzor) in this respect.
