GRATA opened its Bishkek office in 2004. For almost a decade, GRATA has been at the front line of financial, corporate and commercial developments in Kyrgyzstan, advising global and local companies on high profile transactions of significant complexity.

GRATA has extensive locally-based experience through its Kyrgyz and international lawyers. Our team combines cross-border transactional capability with in-depth knowledge of Kyrgyz law and understanding of the legal issues arising in the emerging market of Kyrgyzstan.

The Bishkek office works closely with GRATA's teams in Central Asian and Caspian countries, as well as with representatives in the United Kingdom, United States, and Russia to provide our clients with truly international reach and expertise.

GRATA is a member of the International Business Council (IBC) and Chamber of Commerce and Industry, and other public associations promoting foreign investments in Kyrgyzstan. Our lawyers are members of Kyrgyz Bar Association, and many of them have received recognition from third-party sources. Researchers in the most recent Chambers Europe and The Legal 500 EMEA publications noted their experience in the areas of banking and finance, corporate and M&A, and natural resources.
